

Luxe Hotel Rodeo Drive Site Security Statement

We want our Hotel website <http://www.luxehotelrodeodrive.com> (hereinafter referred to as the "Site") visitors to feel confident about using our Site to plan and purchase their accommodations, so we are committed to protecting the information we collect. All personal information you provide is encrypted and secure.

Secure Reservations

If you decide to make an online reservation at the Site, you will be linked to a reservation interface and a third party booking engine ("Booking Engine") provided by provided by SynXis, a respected hospitality reservation technology provider. While it appears to be part of our site, the Booking Engine is in fact provided by a third party and is governed by its privacy practices. We understand that security remains the primary concern of online consumers and have chosen the Booking Engine Vendor carefully. The Booking Engine Vendor participates in the VeriSign Secure Site Program, a top security certification program, and:

- Has a VeriSign Secure Server ID.
- All information sent to this site, if in an SSL session, is encrypted, protecting against disclosure to third parties.

Protecting your information

We would like our Site visitors to feel confident about using the Site to plan and purchase their accommodations, so Hotel is committed to protecting the information we collect. Hotel has implemented a security program to keep information that is stored in our systems protected from unauthorized access.

Our Site is hosted in a secure environment. The Site servers/systems are configured with data encryption, or scrambling, technologies, and industry-standard firewalls. When you enter personal information during the reservation process, or during a customer email sign-up, your data is protected by Secure Socket Layer (SSL) technology to ensure safe transmission.
